Welcome to Caroline Berry – new CLD worker

Hi, my name is Caroline and I am the new community education worker in the East Neuk. I started on 28 January so I am settling in and getting out and about meeting people. Everyone has been so friendly and welcoming. I will mostly be based at Waid Academy so feel free to pop in if you are about. I am new to working in Fife as I previously have worked in Dundee and Angus. I have mostly worked in the third sector. Just before starting this post I worked with young carers in Angus. I am looking forward to the new experiences I will have in this job and getting to know and working with the community. If anyone wants to get in touch my email is caroline.berry@fife.gov.uk or mobile number 07713088506.

Youth Info Market @ Waid Campus

This was the third Youth Info Market held in the Atrium area of the Waid Campus where young people meet up and have their lunch break. It's a great opportunity for organisations and agencies to connect with young people to let them know what youth services and activities are available to them. Here are a selection on pictures taken on the day.

Frappy News

It's been a great start to the New Year for Frappy! Staff and volunteers continue to provide quality youth work activities whether its art or sports. We have been very lucky to be supported by other organisations and agencies in the East Neuk. A special mention goes out to the Lighthouse who provide Frappy with regular art and craft sessions. These are hugely popular with the young people who attend. We were delighted to welcome the East Neuk First Responders in March who provided amazing life saving techniques including defibrillator training, recovery positioning and what to do in the event of someone choking. We all learned so much! Here are just a few of our more recent pictures.

Frappy is open to young people aged S1 – S3. It runs every Friday during term time from 7-9pm and costs £2. S2/S3 have the option to play on the Astro for just £1 all evening. Young people can take part in a huge variety of sports and art & craft activities. We encourage other youth agencies to come along and meet our young people and let them know what services are in the area that they may be interested in. If you would like to visit Frappy please contact Margaret Samson by email margaret.samson-cu@fife.gov.uk or telephone 01334 659355 for more information
